

THE COUNTRY IS CALLING

Driving the highways and country roads near Round Top, Brenham, Bellville and La Grange, you might see a billboard touting the pleasures of country life and expressing the desire of Heritage Texas Country Properties to help anyone interested in living there.

If you hear the country calling, you'd be well advised to contact them, since Heritage Texas Country Properties has offices in all four of those communities and the professionals there have a wealth of knowledge about the area and

are masterful at selling and locating rural property.

Part of the largest independent real estate firm in Houston, Heritage Texas Country Properties specializes helping people buy and sell country real estate in

Austin, Calhoun, Colorado, Fayette, Montgomery, Victoria, Waller and Washington Counties.

"Among the Texas communities our agents serve," says Broker/Owner, Frank Johnston, "are Bellville, Bloomington, Brenham, Burton, Chappell Hill,

Columbus, Fayetteville, Hempstead, La Grange, Muldoon, New Ulm, Round Top, Schulenberg, Sealy, and Willis – and that barely scratches the surface."

"Our inventory of listings throughout

these small town communities and surrounding countryside vary in type and price range, running the gamut from farm and ranch properties to residential homes, both new

construction and resale, and from small lots to vast acreage, not to mention many commercial properties."

"Each office has its own personality" says company Heritage President and CEO, Robin Mueck, "and agents there are eager to share their
